Many thanks for Visiting Purity Health. Our aim is to make safe hormone therapy accessible to every woman regardless of age or cultural background. We believe in empowering women to make individual decisions for or against HRT by making evidence-based information accessible to them.

If you're happy with our service, please leave us a review on Facebook. If you're not happy with our service please contact us directly, we will do our utmost to resolve the issue

***Please note, if you haven't been seen at Purity Health Face to Face before, you will not qualify for Medicare rebate. Medicare stipulates that you should have been seen by me at Purity health within the last 12 months.

You can receive your scripts electronically if you have my health record.

Payment method: Direct bank transfer

Please transfer within the hour, as soon as your payment is received, the accountant will email you a receipt/ invoice and instructions on how to claim your Medicare rebate.
